HS SANDHU SOLAR PVT. LTD.

**HS SANDHU is positioned
to meet the challenges
of the rapidly growing
global solar market**

ABOUT US

Hs Sandhu Solar Pvt. Ltd. is a globally recognized leading solar energy solutions provider, specializing in high efficiency PV module comprehensive EPC solutions. We are working in Institutions, Residential Colonies, Office Buildings using Electricity on Large Scale, Schools, Colleges, Universities, Government Offices, Giant Industries, Film Makers, Hotels, Restaurants, Cinema Halls, Terrace House Etc.

Hs Sandhu Solar Pvt. Ltd is 100% Indian owned and has years of experience in developing solar solutions, project management, innovation, finance options and helping the development of the local industries. We have the capability to manage any kind of system and installation and lead all our projects to fruition through the highest standards of performance and service quality.

HS SANDHU SOLAR PVT. LTD.

OUR MISSION

Our mission is to ensure that solar energy becomes an affordable source even for the masses by tightly managing our own costs so that the savings pass on to you – our valued customers.

It is our endeavor to provide you with the best systems and we therefore only use the highest quality components manufactured by Tier 1 and 2 manufacturers only.

OUR GOAL

Our aim is to build forge robust and valued relationships with our customers and provide the same level of dedication and customization to all our projects.

Superior customer service backs our high quality products and components. We endeavor to reduce customer effort to the minimal and take complete responsibility of the entire process right from product explanation to installation and even beyond.

HS SANDHU SOLAR PVT. LTD.

WE PROVIDE

FREE HOME ASSESSMENT

Our dedicated team will visit your place and give you basic guidance and assess your home to give best possible customized solution as per your need.

RESIDENTIAL SOLUTIONS

We provide all types of solar panel solutions for your home such as on grid, off grid and hybrid rooftop solutions. We also offer solar energy solutions for commercial purpose to all types of industry from micro utility, small business to large company.

COMMERCIAL SOLUTIONS

We also offer solar energy solutions for commercial purpose to all types of industry from micro utility, small business to large company.

EASY PAY OPTIONS

We at HS SANDHU Solar Energy are committed to help you design the best suitable affordable solar energy system for you without affecting your budget while providing you an easy pay financing program that works parallel with your financial goals.

HS SANDHU SOLAR PVT. LTD.

OUR SERVICES

ROOFTOP SOLAR SOLUTIONS

A rooftop solar system is an excellent power generating system. With our high skill and state-of-the-art technology, we offer cost-effective rooftop solutions.

you can transform your rooftop into a solar power plant which is an excellent source of solar energy, for both commercial and residential consumers.

BENEFITS

Efficiency with Trust

Self-sufficient source of energy.

Uninterrupted power supply with rare down-time.

No bills from your utility grid & power companies.

Independent of non-renewable energy.

HS SANDHU SOLAR PVT. LTD.

OUR SERVICES

GROUND MOUNTED SOLAR SOLUTIONS

HS SANDHU provides ground mounted solar solutions designed and engineered based on the client's site specific conditions. With diligent project planning and accurate execution, our solutions are tailored based on the uniqueness of your requirement.

We provide a wide range of ground-mounted solar solutions offering freedom and flexibility to support PV modules of various types.

BENEFITS

Best value with economy of scale and cheaper installation, material and labor.

Streamlined pre-reassembled installation ensuring best in class strength & durability

Sustainability by embracing social responsibility towards renewable energy targets

HS SANDHU SOLAR PVT. LTD.

OUR SERVICES

EPC SERVICES

We provide Powermine solar EPC solutions. Our customer centric engagement model with technical expertise offers the best in class customized end-to-end solar solutions.

By minimizing grid consumption, each individual can reduce their carbon dependence. We offer the best quality Solar PV installations to our customers and our systems will be installed by certified installers. Book a free solar site analysis today. Our experts will visit you to evaluate your available space and budget and walk you through the installation process, available incentives and how net-metering works.

BENEFITS

Solar PV Modules have no moving parts and so require no maintenance.

Modules are available in varied dimensions enabling space saving installations with maximum output from a minimum required area.

The continuous falling prices of solar cells and components and benefits & incentives provided by state and central governments make it an attractive investment and an affordable choice for residences and business owners.

HS SANDHU SOLAR PVT. LTD.

OUR SERVICES

OPERATIONS & MAINTENANCE SERVICE

Hs Solar offers a wide range of services based on your plant's sourcing strategy, infrastructure and degree of expertise in the solar energy spectrum. Our team of experts operate and maintain solar power systems by providing time-to-time report on solar power generation. We also possess expertise in project commissioning along with devising mechanisms to retrieve and manage solar power generation data to enhance our OPERATIONS & MAINTENANCE services.

BENEFITS

Real-time plant monitoring & control.

Forecasting and scheduling.

End-to-end power plant maintenance.

Preventive and corrective maintenance.

Manpower Deployment and maintenance schedule.

Scheduled night-time maintenance for lowest production
